# Factory Overview

## A Brief Story About The factory

P.I. Ocean Tex boasts a modern factory staffed by 350 skilled professionals. We prioritize safety and quality with top-notch amenities and rigorous standards, ensuring high-quality knit and woven garments.

# Factory Overview

## Brief Description of the Project

The project aims to establish an export-oriented knit garments unit focused on producing high-quality T-Shirts, Polo Shirts, Tank Tops, and Polar and Micro Fleece Jackets. These products will be exported globally. Leveraging Bangladesh's labour-intensive environment and lower manufacturing costs compared to countries like the Czech Republic, Italy, the UK, Hong Kong, and Malaysia, the demand for exportable ready-made garments is rapidly increasing. This project is poised to capitalize on this growing market trend, ensuring competitive production and high-quality output.
